

# How to Make Index Card Nature Journals

By Rob Beadel, Arkansas Project Learning Tree

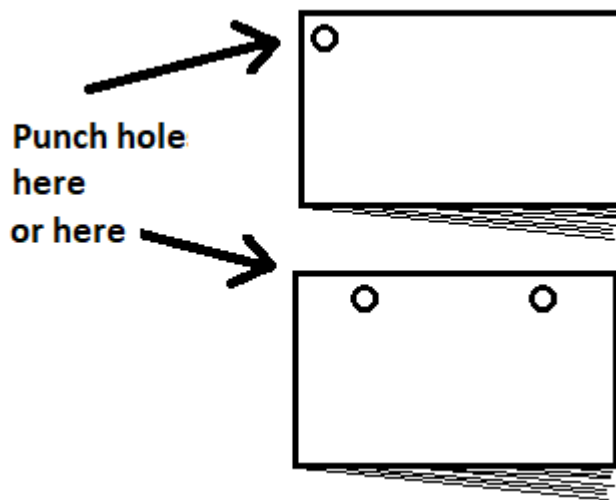

## Materials: *needed for each journal*

- 10-20 index cards  
Select index cards the size you want your journals to be – i.e. 3x5, 4x6, 5x8
- Hole punch
- Hinged book binder ring (one or two)
- Stickers, markers, etc. to decorate journal cover

## Instructions:

1. For a one-ring journal - Punch one hole in the corner of the index cards  
For a two-ring journal - Punch two holes in the top of the index cards

2. Feed the open end of the binder ring(s) through holes of the index cards
3. Decorate front cover of nature journal with markers, stickers, etc.
