

October 6, 2020 1:00-2:30 p.m. ET

Women's Virtual Lunch and Learn: Defining Your Forest Management Objectives

Dr. Zakiya Leggett
NC State University

Cierra L.S. Ward
Resource Management Service LLC

Elizabeth Snider
NC State University

Deanna Noble
NC Wildlife Resources Commission

Hannah Thompson-Welch
NC Forest Service

Laura Hendrick
Forester

Meet the panelists and ask questions!

What's best for your woodlands? How many management objectives should you have for your land?

During this event we will meet each panelist and then open up the floor for a moderated discussion where they will be answering your questions!

Before the event you will have access to a free online course to help you plan your forest management objectives and think of questions!

Registration required by 10/5 : go.ncsu.edu/womens-lunch-and-learn-oct6
