Virtual Workshops

ForestHer NC

We're going virtual! Presentations scheduled for the March 2020 Managing for Wildlife workshops will now be held as a free, four-part virtual series. This is the second workshop in the series. Please join us as we come together as a statewide community!

Register Now!

October 8, 1 to 2:30 p.m. (EDT)

Invasive Plants and Their Impact on Wildlife
We will discuss common invasive plants of North Carolina, how they adversely impact wildlife, and some of the challenges with invasive plant control.

Landscaping for Wildlife with Native Plants
We will introduce you to landscaping with native plants and highlight some favorite trees, shrubs, perennials, vines and grasses that benefit pollinators, birds, mammals, and other wildlife.

Save the Dates!

November 12, 1 to 2:30 p.m.
Managing Woods for Wildlife
Managing Fields for Wildlife

December 10, 1 to 2:30 p.m.
