### Timber Tax Tips Available

Tax season is upon us and the Federal income tax provisions that apply to timber have changed for the 2018 tax year from the December 2017 new tax legislation. To help family timber owners, foresters, and their tax prep professionals in filing their 2018 tax returns, this bulletin provides income tax guidance that is current as of September 30, 2018. To print a copy of the full 2018 Tax Tips bulletin, [click here](#). A reliable source for forestry tax information continued to the [timbertax.org](http://timbertax.org).

### NCFS Announces \$2.5 Hurricane Florence Reforestation Program

Woodland owners in 52 counties impacted by Hurricane Florence and recognized as federally-declared disaster areas can now apply for cost-share funding for reforestation efforts. The North Carolina General Assembly approved \$2.5 million in time-limited funding for reforestation efforts that will be administered by the N.C. Department of Agriculture and Consumer Services and the N.C. Forest Service. Applications are now being accepted, and requests are being considered on a first-come, first-served basis. More information can be found in this [press release](#).

### 4th Quarter Timber Prices

The 4th quarter 2018 timber prices are now available on the NC State Extension Forestry [web page](#). The price report provides state-wide, average standing timber prices for pine, oak, and mixed hardwood sawtimber, pine chip-n-saw, and pine and hardwood pulpwood. Read this short report for more detail on these prices, and for more information on the 2018 fourth quarter stumpage prices in North Carolina, please visit the Quarterly Price Report [web page](#).
