The Natural Shift, Longleaf Conversion Over Time

Tuesday, April 3 in Carthage, NC

Thursday, April 5, 2018 in Bolivia, NC

This workshop is being offered twice next week and will cover methods and best practices when converting to longleaf while maintaining a pine overstory. These workshops are designed for natural Resource professionals and extremely knowledgeable landowners. [CLICK HERE](#) to register, or call Kelley McCarter at 919-515-9563. But, if you cannot make either workshop contact your local [County Extension](#) office to request the workshop repeated in your area.

More Prescribed Fire Education from NCSU Extension Forestry

NC State Welcomes Laurel Kays

Our new staff member, Ms. Laurel Kays, adds to the expertise on the subject prescribed fire. She will assist Jennifer Fawcett in work on the Comprehensive Strategy for Prescribed Fire in the Southeast United States. Laurel completed her Masters at NCSU in 2017 and has since worked on wildland fire issues in Western NC. You can expect to meet Laurel at any of the workshops and meetings where prescribed fire topics will be presented.

Innovations in Wood Energy Workshop and Tour

May 22, 2018 at Mills River, NC

Interested in learning more about bioenergy in western North Carolina? A one-day workshop is being offered on Tuesday, May 22nd at the Mountain Horticultural Crops Research & Extension Center in Mills River, NC. The workshop will feature presentations but regional experts on topics ranging from use of wasted urban wood for energy, growing energy crops including trees, and the production and viability of local markets for bioenergy products such as pellets. For full details and to register to attend, visit the website at go.ncsu.edu/wood2energy
